## Live Your Dream Foundation

*The Live Your Dream Foundation is committed to helping single mothers become self-sufficient. Susan Richards has been volunteering with Live Your Dream Foundation for about four years. She currently serves on the advisory board and assists with all fundraising events and endeavors.*

### Tell us about Live Your Dream Foundation

We provide scholarships for single mothers in Utah who are in need and looking to pursue higher education. The entire organization is run by volunteers, so all funds raised go directly to benefit single mothers and their families.

### How many hours a week on average do you spend volunteering?

It varies depending on what fundraisers we are working on.

### How can others get involved with this organization?

Anyone can volunteer! Please come and help. Visit [www.liveyourdreamfoundation.org](http://www.liveyourdreamfoundation.org) for more information.

### What drew you to volunteer for this organization?

I personally know the family that started it, but I also feel empowering single mothers and helping them gain an education is an important goal.

### What benefits do you get from volunteering with this organization?

I love helping single mothers. It is satisfying to see those that the foundation helps live their dream and help their families.

### Tell us a little about your family

My husband, John, and I moved to the River Bottoms 13 years ago when he began teaching at BYU. We have four children and two grandchildren. We are both involved with several charities and enjoy helping whenever we can.

### What is your favorite part of living in the neighborhood?

The weather and good people!

Do you volunteer? Does your neighbor? We love sharing the good deeds of the neighborhood! To contribute, email [clint.braby@n2pub.com](mailto:clint.braby@n2pub.com).
